Unable to find work on the Universal lot, slim and Bobby gets jobs as cameramen to photograph the stars and notables at the Wampas Ball in "Frisco. Slim encounters considerable difficulty with the collapsible legs of the tripod, and Bobby's insistent attempts to horn into the picture with Antonio Moreno, Wanda Wiley Bryant Washbur, William Duncan, Edith Johnson, Norman Kerry, Hoot Gibson, William Desmond, Hobart Hosworth, Jack Hoxie, William S. Eventually, they find the camera has not been loaded, and, while attempting to put in a roll of negative, the film falls and rolls down hill. Ignited by a carelessly dropped match, it burns up and almost blows the two into midair. Later, the camera slides down the hill, hitting a traffic cop, who chases them into an outwardbound ferry. They return at last to Universal city with nothing to show for their trip but a demolished camera.
